Message received by Wivine from Malvantra **Melchizedek**.

**Malvantra** : We are inaugurating a new cosmic cycle that will propel Urantia, your planet, into a spectrum of New Energy.

The dark sowers of evil that ruled and decimated this planet for 200,000 years have been removed or destroyed.

The dark energy network they had set up is destroyed and replaced by a new *morontia energy network (a mixture of material and spiritual energy)*.

To this the following elements have been added:

- 1) 7 memorials have been placed around the world in honor of the *Trinity's victory over the Lucifer rebellion*.
- 2) three major **centers of spiritual energy** in Africa: this spiritual energy leaves the 1st power plant and goes around the world to return to the third power plant connected to the second and the first. This spiritual energy now extends up to the North Pole and down to the South Pole across the entire surface of the planet.

*Legend: - Blue stars = Memorials in honor of the Trinity's victory over the Lucifer rebellion.*

- Golden line: *Spiritual Energy* that leaves and returns from the three *Spiritual Energy plants* in Africa.

3) In addition, the old Melchizedek Cosmic schools or M-AYA schools have been reopened. (*M-Aya = Melchizedeks who work for Aya - Master Spirit n ° 7 of our Superunivers n ° 7*). They were and are again sacred magnetic sites which serve as educational centers in **Morontia Mota** or Wisdom and for the advanced in **Cosmic Wisdom**.

Below the world map where all sites are indicated

My children, God wants you to know HIM. God wants you to turn to HIM. He lives in your heart. Talk to HIM, get into this habit wherever you are, whatever you do. HE wants to share your life, to pull you up to HIS LEVEL, that you become like HIM: DIVINE.

Already here and now.

The new time has arrived. The air is purified. The old tricks no longer work. The old values that focused solely on material well-being are no longer enough.

God will shake and resurrect man all over the world from inside to push men to turn to HIM.

This new awareness that you are all **children of God** will occur in your heart and will not come from outside.

It will be an **inner personal experience**. Each individual, each child will experience this in their own ways and awaken to it.

Do no longer seek HIM outside of you, seek HIM within you.

When man changes from the inside, the outside world will also change.

It all starts with one person: **YOU!**

Goodbye my children, this was Malvantra **Melchizedek** - director of the **Melchizedek** schools on the morontia worlds of Nebadon, your local universe.

End.
